

COVER LETTER

Dear Hiring Manager,

My name is Adebimpe Adetomiwa, and I'm a Data Analyst looking to flex my talents to identify new growth strategies the company. I've always been fascinated by numbers, and working in data analytics has been a long-term goal of mine. I have deep experience because I have done many data analytics project during the years back. I believe this experience has prepared me the company's Data Analyst role.

Your job posting mentioned that you're looking for an analyst with experience in data analytics, proficiency in a statistical programming language, and strong time management skills. I have completed Cisco data analytics

I'm thrilled at the opportunity to use these experiences to fuel data-driven decisions at the company, and I'm keen to continue developing my skill set on the job. I am available for a Zoom call to discuss how I can help company with improving performance through data.

AND I CAN WORK FOR FREE IF THE POSITION HAS BEEN FILLED.

Thank you for your consideration,

Adebimpe Adetomiwa, Data Analyst
